The screenshot shows the Postman website's sign-up page. The header includes the Postman logo and navigation links: Product, Pricing, Enterprise, Explore, and Learning Center. On the right, there are 'Sign In' and 'Sign Up' buttons. The main content area features the headline 'The Collaboration Platform for API Development' and a sub-headline 'Simplify each step of building an API and streamline collaboration so you can create better APIs—faster.' Below this is a 'Learn More' link. A cookie consent banner is visible at the bottom left, with 'Accept All Cookies' and 'Cookies Settings' options. On the right, a 'Get Started with Postman' section contains a sign-up form with fields for Username, Email, and Password. A note states 'Passwords need to be at least 7 characters long.' There is a checkbox for 'Sign me up to get product updates, news, and other marketing communications.' Below the form is a large orange 'Create Account' button. Below that, separated by 'or', is a blue 'Sign Up With Google' button with the Google logo. At the bottom of this section, it says 'By creating an account, I agree to the Terms and Privacy Policy.'

The screenshot displays the Postman website's download page. The main heading is "Download Postman", followed by a subtext: "Download the app to quickly get started using the Postman API Platform. Or, if you prefer a browser experience, you can try the new web version of Postman." Below this, a section titled "The Postman app" describes it as an ever-improving app with a new release every two weeks. A prominent orange button labeled "Download the App" is circled in blue. Below the button, there is a link to the Privacy Policy and Terms, and a version note: "Version 8.9.1 | Release Notes | Product Roadmap". At the bottom, it says "Not your OS? Download for Mac (macOS) or Linux (x64)". To the right, a snippet of the Postman application interface is shown, featuring a sidebar with "Collections" and "Environments", a main workspace with a "Single Tweet" collection, and a right-hand pane showing the details of a "Single Tweet" request, including query parameters and path variables.

The image shows the Postman Sign In interface. At the top right, there is a link "Sign in with Single Sign-On (SSO)". In the center, there is a white card with the Postman logo (an orange circle with a white rocket) at the top. Below the logo, the text "Sign In" is displayed, followed by a link "Create Account instead?". There are two input fields: "Email or Username" and "Password". Below the "Password" field, there is a checkbox labeled "Keep me signed in" and a link "Forgot Password?". A large orange "Sign In" button is positioned below the input fields. Below the button, the word "or" is centered. Underneath "or", there is a "Sign in with Google" button featuring the Google logo. At the bottom of the card, a message states: "You're redirected from the Postman desktop app on win32 10.0.19043 to sign in." At the very bottom of the screen, there are links for "Terms of use" and "Privacy Policy".
